

**The Sankara Nethralaya Ophthalmic Mission Trust now has  
a brand new website address!**

We would like to draw your kind attention that the website address of Sankara Nethralaya OM Trust, Inc, USA, the awareness creation and fund raising arm of Sankara Nethralaya has been changed from [www.omtrust.org](http://www.omtrust.org) to [www.sankaranethralayausa.org](http://www.sankaranethralayausa.org)

We are sure that you would agree that having the words 'Sankara Nethralaya' in the website URL would facilitate better brand recall and also help in identifying and underlining the relationship between the fund raising body and the parent institution, to browsers and potential donors.

We request you to kindly share this information with your circle of friends and contacts to help us spread the word fast.
